PROJECTS GAM asbl 2023

I. Construction of a bakery

Location: **Tuum, Kenya**

GAM funding: 9.792 € (90%)

Direct beneficiaries: 3 Turkana women and their families

Objective: promoting the emancipation of Turkana women through the construction of a bakery.

II. Talleres de empoderamiento destinados a las mujeres Samburu (2023-2025)

Location: **Lodung'okwe (Kenia)**

GAM funding (1st phase): 5.287,35 € (73%)

Direct beneficiaries: 223 Samburu women

Objective: offering Samburu women spaces for training, empowerment and community growth, while giving them the opportunity to launch their own entrepreneurial projects.

III. Training community leaders in social communication

Location: **Luanda—Viana, Angola**

GAM funding: 3.000 € (76%)

Direct beneficiaries: 20 young leaders from the local community

Objective: to create, within the local community, a coexistence based on teamwork, respect and solidarity.

IV. Literacy and education programme for out-of-school children aged 3-15 years

Location: **Kampong CHhnang, Cambodia**

GAM funding: 6.395 € (69%)

Direct beneficiaries: 50 pupils from 3 to 15 years old

Objective: literacy and education for 50 poor children from villages near Kampong Chhnang.

V. Reforestation project in Cotagaita (2022-2025)

Location: **Cotagaita—Potosi, Bolivia**

GAM funding (1st phase): 2.298 € (74%)

Direct beneficiaries: 300 farmers and their families

Objective: to reduce soil erosion in this region of Bolivia and to contribute to the production of oxygen by planting 1000 indigenous trees in the region, in order to mitigate the effects of global warming.

Years: 2020—2022

Literacy programme for women of the Samburu people (three-phase project)

Location: **Lodung'okwe, Kenya**

Objective: to provide Samburu women with adequate training to enable them to start a family business and provide for their children's schooling

needs.

Empowerment of Samburu women.

Year: 2022

Refurbishment and equipping of the community hall in Lodung'okwe

Location: **Lodung'okwe, Kenya**

Objective: repairing and equipping the facilities of the community multi-purpose hall for training and human promotion sessions, as well as to facilitate meetings of the local communities.

This is an unprecedented project in the region.

Year: 2022

Drilling of a drinking water well

Location: **Kounahiri, Ivory Coast**

Objective: to supply drinking water to the Reception Centre, financed by GAM in 2019, and to part of the population of Kounahiri. To improve the living conditions of the local population.

Year: 2020

Women's sewing training project in the community of Opiroi

Location: **Opiroi, Kenya**

Objective: to provide women with technical and practical training in sewing as well as entrepreneurship tools to develop a family business.

Year: 2020

Setting a solar water pump for the training center (GAM project 2010)

Location: **Barsaloi, Kenya**

Objective: improving and optimizing training of participants. Drinking water supply to the training center.

Year: 2020

Equipment of technical material for the training center in Vila de Viana

Location: **Vila de Viana, Angola**

Objective: to provide the Youth Training Center of Vila de Viana (CEFOJOLIA) with equipment and material to ensure better training sessions for local communities and greater autonomy for the center.

Year: 2021

Provision of technical equipment and material for training sessions at the Tuum training centre (GAM project 2014)

Location: **Tuum, Kenya**

Objective: to provide the Tuum training centre (project supported by GAM in 2014) with the technical equipment and material necessary for the local population, but also for more remote populations. This has considerably increased the number of beneficiaries of the project.
