JULY 2022

BOARD OF DIRECTORS and GENERAL ASSEMBLY

In June, the 1st Board of Directors of GAM 2022 took place, followed by the General Assembly, during which the annual accounts of the association and the new composition of the GAM Board of Directors were approved. The latter will be ratified in October. At that time we will publish the organisation chart with the names of the new members. We thank the outgoing members for their support to the association over the years and we welcome the new candidates with joy and gratitude, confident that together we will continue to support GAM's projects, thus helping the most needy.

We are currently receiving and analysing proposals for new projects for 2023, which we will inform you about once they have been approved at the next GAM Board meeting in October 2022.
