Here are the latest and most important news of our « GAM » association:

1. The trip to the Ivory Coast was a real success, our participants were delighted. They are back with plenty of good memories of the encounters they made with the locals and the members of the communities in Abidjan and Khounahiri, in the North of the country. Their videos, interviews and photos are filled with emotion.

The project for the alphabetization of women and children has already started showing encouraging results. Some interesting encounters with the people of the villages have also taken place.

The second project aiming at the reinsertion of young people has also been launched. The project stands on two key tracks; hosting and presenting an educational project to the youngsters.

2. Calendar 2015: The best photos of our trip will be selected and inserted in the new 2015 calendar. Difficult task, given all the great shots that we have!

3. During our next General Assembly which will take place on Saturday November 29th, the members of our team will present the video of their trip and will personally tell us all about their adventures.

I invite you to book your places and buy the tickets in advance, as there is strong demand!

4. During the Eucharistic celebrations which will take place at the Saint Anthony Church, the Riches Claires and Saint Gertrude, a couple of speakers will share with us the story of their trip.

I avail myself of this opportunity to thank you all for your generous donations ! Without your generosity we would not be here greeting ourselves for the many humanitarian projects that have generated crucial results within their given communities.

I would also like to warmly thank all our volunteers, for their efforts in selling the calendars and organizing the General Assembly, as well as their continuous enthusiasm and creativity in always coming up with new ideas. They are the driving force of our association !

GAM exists through you!

How marvelous , how fabulous!

Looking forward to seeing you numerous at our General Assembly!
